BREAKING BARRIERS

Embracing Literacy through Digital Media

The project aims to address challenges and needs in adult literacy and to „break barriers“ faced by both learners and educators.

What are our objectives?

- Researching and sharing cross-border best practices to understand approaches in tackling basic literacy for adults through digital innovation
- Training adult educators who specialise in the teaching of basic literacy skills
- Developing customised literacy courses for adults who face literacy challenges and marginalisation
- Creating an innovative toolkit for adult educators focusing on the use digital media and interactive story-telling to teach basic skills
